

Ran footstool, Dark Grey

700006404

55.00 GBP

info This product is expected to be available from January 2026.

The Ran footstool is a practical companion that adds extra comfort to your camping experience. Use it as a relaxing footrest in front of your chair, or as an additional seat when you have guests. The footstool can support up to 100 kg. Its compact size and lightweight aluminium frame make it easy to bring along – ideal for campers who want to pack light but still sit comfortably.

The seat is made from durable polyester with a PVC coating and light foam padding, giving it a soft and pleasant surface. The material is easy to clean and designed to withstand outdoor use. Ran footstool comes in the colour Dark Grey, which blends discreetly into most camping settings and matches many of Isabella's camping chairs.
